

We Begin 2026 With Purpose

As I reflect on 2025, one word comes to mind: capacity. It is a word the Lord gave me in prayer last summer.

This year stretched us emotionally, spiritually, and organizationally as we cared for women with deep and complex trauma. In every hard moment, the Lord was faithful. He revealed our limitations and our strength, reminding us that this work has always been His. In calling us to stretch, He made clear our need for greater capacity.

Through seasons of transition and growth, God made one thing clear to me: it was time to release the daily operational leadership as a volunteer I have held and pass the baton forward to help us build that “capacity” to serve. With great joy and confidence, I step into the role of Board Chair and welcome a faithful and capable leader who has been serving with excellence as our Operations Director. Within her first month back in May, the Lord spoke clearly to my heart: “It is her.”

As we look ahead to 2026, we rest in the truth that the same God who carried us through this year will continue to go before us (Deuteronomy 31:8).

Please join me in welcoming Gerralee Damman, a woman called by God for such a time as this. I can’t wait for you to meet her!

“For many years, the Lord has been quietly preparing my heart for a calling I did not fully understand. What I could not have imagined then is that those steps would lead to Project 2 Restore, a ministry God entrusted to us to bring healing, restoration, and hope to those whose brokenness deeply touches His heart. ...”
